

Unit - 3

Understanding Harmony in the Family & Society - Harmony in Human - Human Relationship

The basis of Harmony in the family is right understanding in and among the individuals.

The building block for harmony in the society is right understanding ourselves then we won't be able to understand the surrounding as well and create dispute.

When human beings with right understanding & harmony come together & interact it leads to co-existence & will be mutually enhancing.

The sequence may be as follows -

- (i) Right understanding
- (ii) Prosperity
- (iii) Fearlessness (Trust)
- (iv) Co-existence

Harmony in Society:-

The sentiment of being connected to every individual in the society leads to participation towards undivided society.

When harmony at individual & family level is achieving harmony at society level.

Three activities can be performed to send the message of a holistic society.

- (i) Performing street plays, organizing seminars & workshop.

Activities can be classified into 3 types.

→ Knowing self

→ Knowing existence on basis of self.

→ Knowing the definite human conduct which is contribution of self in.

- (ii) Value education in education institutions should be introduced in the current ~~scenario~~ scenario.

- (iii) Helping to apply values to the real world, counselling centers should be opened up by both govt & non-govt organizations.

It is about realizing the alternative in life. This is the idea of expansion of self to higher levels in the social system.

Justice :- (Nyaya) - Justice concerns itself with proper ordering of things & people within a society. The proper evaluation & fulfillment of desire which results into mutual happiness.

Justice means giving people what they really deserve.

Elements - Recognition of value

Fulfillment

Evaluation

Mutual happiness.

- Mutual fulfillment is the hallmark of justice & justice is essential in all relationships.
- Justice starts from family & slowly expands to the world family. The child gets the understanding of justice in the family. With this understanding, he goes out in the society & interacts with people the same way he has observed.
- If we don't have right understanding of values in relationship then we get governed by our preconceptions.

Human-Human Relationship

Relationship
Self (I) ← → Self (I)

Recognize the Values (feelings) in relationship (feelings are definite)

Fulfillment of Values (Feelings)

Evaluate the fulfillment of values
